Product Description

6-9 seater diesel minibus 4x2 drive

Description

This product is a 6-9 seater diesel minibus with 4x2 drive. It is a small-sized vehicle designed to transport passengers. The minibus has a seating capacity ranging from 6 to 9 people. It is powered by a diesel engine, providing efficient and reliable performance. The 4x2 drive indicates that the minibus is driven by two wheels, either in the front or rear, providing traction and control on the road. Overall, this product offers comfortable seating for passengers, utilizes diesel fuel for power, and features a 4x2 drive system for smooth and controlled driving.
